Pioneer Line of Steamers

FOR

Baltimore, Philadelphia, New York and Boston, via Albemarle and Chesapeake Canal.

THE COMMODIOUS STEAMERS **PIONEER** and **Commodore Adams**, will leave Newberne for Norfolk on *TUESDAY* of each week at 8 o'clock A M, connecting with the different lines of steamers for the above-named points. On and after the first day of December next they will leave on Tuesday and Friday of each week, making semi-weekly trips. Shippers of Goods will receive every facility and accommodation for the transportation of the same, as arrangements have been made with the different companies to forward goods to this line at low rates and without delay. Each of these steamers are capable of carrying

250 *TONS OF FREIGHT,*

through the canal without difficulty, as they were built expressly for the trade. They are fitted up with *STATE ROOMS* and *BERTHS* capable of accommodating thirty-five passengers. Every attention will be paid to the comfort of passengers, who will not be subject to the inconvenience of transfer to other vessels, but will be taken through direct without change.

The tables of the steamers are liberally supplied with the best the market affords. Families traveling will find it to their interest to take this line, as they will thereby escape the danger and discomfort of a sea route, and the fatigue of railroad travel.

On the 15th of December next, if the business of the line warrants it, the steamer *Williams* will be put on the route, and tri-weekly trips will be made.

For freight or passage apply to Whitford, Dill & Co., Newbern, N C.

DAVID WILLIAMS, *Proprietor*
